Scope of the Policy

Water Wise Services LTD carry out Legionella services at various sites around the UK. This policy is to ensure the health and safety of staff and others when carrying out work related activities.

Our Health and Safety Policy Statement is to

- to provide adequate control of the health and safety risks arising from our work activities;
- to consult with our employees on matters affecting their health and safety;
- to provide and maintain safe plant and equipment;
- to ensure safe handling and use of substances;
- to provide information, instruction and supervision for employees;
- to ensure all employees are competent to do their tasks, and to give them adequate training;
- to prevent accidents and cases of work-related ill health;
- to maintain safe and healthy working conditions;
- and to review and revise this policy as necessary at regular intervals.

Health and Safety Policy

Staff carry out work activities at various sites on a regular basis. The risk at each site can vary and staff should ensure that they are working in a safe environment and in a safe manner.

Staff should be familiar with and follow the guidance, statements and risk assessments.

- Legionella Risk Assessment Statement
- Legionella Services Method Statement
- Chlorine Risk Assessment

Training

Staff will receive regular training in all areas of work, staff should not attempt a task that they are not trained in.
